Alfred Street Laidley QLD 4341

Dear Parents,

This year we will be holding "Catch Up" on Wednesday afternoons from 3.05pm to 4.00pm in the Library. This is a time for students to catch up with teachers, their homework and assignments. The first session will be held on Wednesday 1st of February. Catch up is available for all year levels across all subjects. There is no cost as teachers volunteer their time. Students are thus expected to be prepared to work and act in a safe, responsible and respectful way at all times. Parents will be contacted and asked to collect students if there are any difficulties.

Students need to have their own transport arrangements.

To assist us in tracking students who attend, please complete the form below and return to the school. Thanking you for your co-operation.

Michael Clarkson
Principal

Toni Adams
Head of Department

I give permission for my student _____ in Year ____ to attend
Catch Up on Wednesday afternoons.

If necessary I can be contacted on _____.
