

# LEARNING AT HOME

## DAILY STUDENT GUIDE

Laidley State High School has a *Responsible Behaviour Plan* for all students that will remain in place during online learning. Students are expected to demonstrate the same high level of behaviour and positive attitude to learning online as they would in regular classrooms.

### CHECK IN FOR THE DAY

- **GET READY FOR LEARNING.** Get yourself in a learning mindset by 8:30am each day.
- **READ EMAILS AND MORNING NOTICES.** At 8:55am check your emails and read the Student Notices to see if there is any new information for you.
- **FOLLOW ABSENCE PROCEDURES.** Respond to Care Teacher daily check-in email by 9.30 am. If you are unwell, have your parents advise the school.
- **CHECK YOUR DAILY WORK PLAN.** Consult your daily to-do list to focus your learning.

### CONSULT YOUR TIMETABLE

- **FOLLOW YOUR TIMETABLE.** Plan to work on each subject as per your regular school timetable. Teachers will focus their engagement on your class at this time.
- **KEEP INFORMED.** Teachers will keep you informed as to what is expected.
- **DEVELOP A LEARNING AND ASSESSMENT SCHEDULE.** Keep on top of timelines for learning activities and assessment check points, drafts and final assessment submission.

## Stile

### USE STILE

- **ACCESS STILE CLASSES.** Teachers will upload learning tasks, course materials and assessment to your relevant STILE class page so check these classes daily.
- **SUBMIT ACTIVITIES AND ASSESSMENT ONLINE.** Submit activities and assessment via STILE (rather than email) wherever possible. Return hard copy work to school each fortnight.
- **INTERACT WITH YOUR TEACHER.** Seek help, read feedback and interact in collaborative activities.

### USE INTERACTIVE ONLINE PLATFORMS

- **USE APPROVED SCHOOL APPS AND PROGRAMS.** Use programs recommended by your teacher so your teachers can collaborate with you and view your work.
- **UTILISE BKS B.** Use BKS B daily to continue your literacy and numeracy development.
- **ACCESS ISEE VIDEO CONFERENCING.** Access iSee platform for video conference if required.

### LOOK AFTER YOUR WELLBEING

- **ADOPT A GROWTH MINDSET.** Look for opportunities to grow, not reasons to fail.
- **SEEK HELP WHEN YOU NEED IT.** Talk to someone. Parents, teachers, friends and school and external support services can all help you when they know you are doing it tough.
- **CHECK-IN WITH TEACHERS.** Teachers and leaders will monitor your progress & wellbeing.
- **ACCESS RESOURCES.** Refer to our website for mental health and wellbeing materials.
